

Pirate Chess

Try to follow the directions in italics (the letters slanted like this).

chanting...

“Yo Ho!
Hey Hey!
Wake up your knights
it’s time to play!”

then whispering...

“Hey Hey!
Yo Ho!

Quiet chess is Pirate Chess”

chanting a wee bit louder...

“We fork, we trap
We pin and attack!”

and louder...

Our rockin’ rooks will roll you back!
Pirate Chess is **mighty** chess!

and then squinting one eye...

Aarrgh!”
