

WaddleWaddle

White mates in 3

The secret to this mate is **not** to check. Instead White must “fence in” the waddling black king.

White	Black
1. any rook move	any move
2. ?	?
3. ? mate	

Topic to master:

What is the **Opposition** and why is it important?

David Donaldson teaches Chess

Thanks to coaches Henry Vinerts
& Ted Castro for ideas in this lesson.
